

APR Workshop on Partnership and Fundraising

Seoul Olympic Parktel, Seoul

15 – 18 October, 2011

Recommendation:

- To build a partnership development communication network by NSOs with their respective partners for mutual benefit, communication and collaboration
- APR should provide the partnership agreement format to NSOs as developed during the APR Workshop on Partnership and Fundraising
- NSOs to ensure effective Public Relations in order to maintain a good image
- The APR should supply the guidelines developed during the APR Workshop on Partnership and Fundraising on the Code of Ethics in Partnership
- Each NSO should appoint responsible person/s for partnership and fundraising who is knowledgeable and skilled
- Mission of Scouting should be the basis for the project plan
- NSOs should set clear and specific guidelines on undertaking partnerships and fundraising projects including regular reviews, evaluation and a reporting system
- NSOs should encourage all the board members to take part during the process of fundraising
- NSOs should be aware of outside innovative ideas and trends in developing their fundraising activities
- NSOs should ensure the fundraising activity is cost effective and supports the implementation of the national plan
- The participants of the APR Workshop on Partnership and Fundraising will take the information and guidelines developed of this Workshop and champion it within their own NSOs
- We, the participants, of APR Workshop on Partnership and Fundraising recommend the APR Committee to incorporate these recommendations for NSOs in any partnership and fundraising activities

GROUP WORK

These should be some *essentials* of Code of Ethics (values) to guide Partnership agreements as identified at the APR Partnership & Fundraising workshop and in recognition of the Marrakech Charter, Bangalore Revised Edition:

CODE OF ETHICS RECOMMENDATIONS

Mission:

Only work with organisations that will be beneficial to young people.

Due diligence:

Nature- We need to complete a research and due diligence to ensure the nature of that organisation is in line with the values of Scouting.

Image- Do not cooperate with Organisations who may harm the image of scouting.

Beliefs- Before making a partnership with a party, we need to know their beliefs.

Voluntary:

Partners must come together without being obligated but accept to work in voluntary harmony

Collaborative:

To work together collaboratively to ensure positive outcomes for both parties

Mutual goals:

Aiming to meet goals mutually beneficial to both partners with common intention for the project

Educational process:

To meet the mission of Scouting to contribute to the education of young people

Fundamental Principles:

To ensure adherence to the Marrakech Charter, all parties must work in equality, autonomy, reciprocity and fraternity

Mutual respect:

To work together in trust and mutual respect

Strengthen and enrich both organisations:

The Partnership must contribute to the growth and development of both organisations

Credibility, openness and tolerance:

To operate within the principles of credibility, openness and tolerance

Positively involved:

To helpfully and actively strive for the success of the project
