9th Africa Scout Jamboree, 2024
The Africa Scout Committee resolved to retain the following bids:
1. Burundi
2. Niger, pending submission of Government support letter by the opening of the 18th Africa Regional Conference and on the understanding that if one bid passes the other one automatically drops, in whichever order voting is organized at the conference.

19th Africa Scout Conference & 10th Africa Scout Youth Forum, 2025
The Africa Scout Committee resolved to retain the following bids:
1. Madagascar
2. Niger, pending submission of Government support letter by the opening of the 18th Africa Regional Conference and on the understanding that if one bid passes the other one automatically drops, in whichever order voting is organized at the conference.

2nd Africa Rover Moot, 2026
The Africa Scout Committee resolved to retain the bid of South Africa.
Considering that Kenya will be hosting the 1st Africa Rover Moot in 2023 and to avoid consecutive editions of the major event being held in the same Zone, the Committee recommends Uganda to consider bidding for another future regional event.
